

# Whaley Historic House Museum Newsletter

DECEMBER 2020

## LETTER FROM THE EXECUTIVE DIRECTOR

Dear Friends of the Whaley Historic House Museum,

In our last newsletter, we shared that we were looking forward to reopening after a period of closure resulting from the Executive Order issued in March. In fact, we did successfully reopen in August, and were able to safely host a few outdoor events, tours during our regularly scheduled open days, as well as several private events.

Of course, during this time, we were still keeping track of the number of new daily cases. Perhaps not unexpectedly, we decided to once again close our doors in November 2020 in the interest of the safety of our patrons, volunteers, and staff, and most importantly, to do our part in slowing the spread of Covid-19.

During a normal year, we would be getting ready to decorate the House for Christmas. Due to our latest closure, we will unfortunately not be doing so this year. However, we are pleased to announce that the exterior of the House is decorated, thanks to the generosity of our friends at Runyan's Country Tree Farm! We hope that you are able to stop by and that our festive facade brings you some joy (read more about it on the last page of this newsletter). This holiday season will be difficult for many, as we continue to stay vigilant to protect ourselves and others. While the pandemic is unfortunately still far from over, the good news is that several vaccines are on the horizon so finally, the end is in sight!

Over the past year, like many other museums, we have started focusing more on our online platforms. We had been testing out virtual tours, and recently, thanks to the Community Foundation of Greater Flint, have received some funding to make a video to increase our accessibility and engagement (please see attached press release).

Work continues, as always, behind the scenes at the Whaley Historic House Museum. As I reported in our last newsletter, we were working to update some of our vital policies and procedures. To this end, I am pleased to announce that we are in the final stages of reviewing and updating our Bylaws! Also, with an eye on the horizon, we are working on our post-Covid strategic and financial plans.

As always, we are working to ensure that our museum stays organized and maintains the best practices. Now that we are closed to the public, we are focusing on our processing and storage areas and are working to unpack, survey, and preserve our stored collection objects. I am also pleased to report that thanks to our UM-Flint intern this past summer, we have also prepared a small exhibition on florigraphy for the second floor.

We encourage you to stay in touch with us and look for updates on our website [www.WhaleyHouse.com](http://www.WhaleyHouse.com) or on our Facebook page. But, as always, If you would like to contact me directly, please feel free to message me at [Director@WhaleyHouse.com](mailto:Director@WhaleyHouse.com) or give me a call at (810) 471-4714! I look forward to hearing your comments, questions, and concerns. And I look forward to getting us back on track!

Warm regards,

Davina Kuh Jakobi

## Additional Support

This past summer, we were fortunate to have been nominated for the Rock Family of Companies Community Challenge via Mightycause. Due to the loss of independent revenue caused by our closure resulting from Covid-19, this fundraiser could not have come at a more fortunate time. We received 44 individual donations totaling over \$1,200. We also received additional funds totaling \$600 from the Rock Family of Companies. We would like to extend our sincere appreciation to all those who donated!

In October, we experienced a small flood in the bathroom adjacent to the Library. Not only are we thankful for the quick response of our Board Members, who responded to the alert at 11 PM, but we are also very thankful to our friends at SERVPRO of Fenton/NW Genesee County, who reached out to us the next day to assess and help us mitigate any potential water damage with their industrial-grade equipment!

## THANK YOU FOR YOUR SUPPORT!

Thank you to our new and returning members and friends who have renewed with us and/or made donations from July - November 2020! We are so thankful for your support!

## VOLUNTEER | Highlight

*Here at the Whaley Historic House Museum, our most valuable assets are our volunteers. This newsletter, we would like to shine a much-deserved spotlight on one of the many volunteers who help keep the Whaley Historic House Museum open and running...*

We would like to thank our dedicated docent volunteers, **Marcia Amon**, **David Barkey**, and **Lucas Wiles**, who helped welcome and provide tours for members of the public from our reopening in August until our reclosure in November.

We are always looking for volunteers who can help share the story of the Whaleys with the public by giving tours, helping with programming needs, serving as a rental host, lending a hand with general maintenance, and a variety of other tasks throughout the year.

## ACTIVITY RECAP | The Farewell To Summer Lawn Party

### PARTNERSHIP WITH FLINT DOWNTOWN DEVELOPMENT AUTHORITY

This year we partnered with the Flint Downtown Development Authority to host and expand our second annual “Farewell to Summer Lawn Party”. So, first of all, thank you to Director of Placement, Kady Yellow, for working with us!

Together, we created a fun-filled day of socially-distanced live music throughout downtown Flint. Four concerts took place at Café Rhema, the Whaley Historic House Museum, and Blackstone’s Smokehouse. The two performances at the Whaley Historic House Museum featured Modestina and Bar None. We were also pleased to welcome back our friends at K & M Chuck Wagon, a local food truck, who provided us with innovative burgers and desserts!

To ensure social distancing, our concerts were ticketed this year. Though we sadly didn’t see too many guests this year in person, we streamed both concerts on Facebook Live, where over 600 people were able to enjoy the shows!

## CHRISTMAS | OUR VICTORIAN HOUSE DECORATED

### COME ENJOY THE WHALEY HISTORIC HOUSE MUSEUM

As you are probably aware, we normally decorate the Whaley Historic House Museum for the Christmas Season. While we are closed this year, we would like to extend our appreciation to our friends at Runyan’s Country Tree Farm, who have helped us lovingly decorate the exterior of the Whaley Historic House Museum!

**This holiday season, although we can’t welcome you in person, we encourage you to stop by and take a picture on our front porch. Feel free to upload the picture to social media and tag us!**
